FY 2022-23

CORPORATE SOCIAL RESPONSIBILITY COMPENDIUM

Over the past few years, BYPL has directly reached out to over 11.7 lakh people and their families

BYPL Suraksha strengthens neurology unit at IHBAS

On 30th September, BSES Yamuna Power Limited (BYPL) CSR team alongwith Mr Alok Varma - Chief Human Resource Officer handed over Electromyography machine (EMG) to Institute of Human Behavior and Allied Sciences (IHBAS), as part of "Suraksha" initiative. This machine used for nerve conduction study was urgently required by IHBAS and was handed over in presence of Dr Rajinder K. Dhamija - Director IHBAS and Dr Suman Kushwaha - Head, Neurology.

BYPL celebrates Umang Mahotsav at Tihar Jail

Under Tihar Jail Rehabilitation Program in CJ16, Tihar Jail Mandoli, implementing partner Sofia Educational and Welfare Society organized "Umang Mahotsav" on 30th August, 2022. This program was an amalgamation of various festivals and celebrations in month of August, 2022. In this program, the project team along with their respective students from Tuition Classes, Computer Classes and Beauty Culture Classes organized stalls on various themes such as Janmashtami, Ganesh Chaturthi, Teej Mehendi Live Stall, Independence Day and Friendship Day.

Besides the BYPL CSR team led by Ms Rashmi Dewan, dignitaries from DLSA graced the occasion. Ms. Harshita Mishra, Secretary (Litigation), DLSA was the Chief Guest, whereas Mr. Pranat Kumar Joshi, Secretary, Shahdara DLSA and Ms. Saema Jamil, Secretary, East DLSA were the Guest of Honour in the Umang Mahotsav.

BYPL SASHAKT towards an inclusive India

On 29th September, senior BYPL officials led by Mr Brajesh Kumar - Head Business, BYPL distributed assistive aids and appliances to 55 people with disability. The programme was organised by BYPL CSR team as part of its "Sashakt" initiative. Beneficiaries were provided motorised tricycles, smart phones for visually impaired, crutches, MSIED (Multi Sensory Inclusive Educational Development) kits for children with learning disability, hearing aids and wheelchairs in partnership with Artificial Limbs Manufacturing Corporation of India (ALIMCO). The programme was conducted at ALIMCO headquarters in Paharganj in presence of ALIMCO Director, Mr Umesh Jhalani.

Har Ghar Tiranga @BYPL customer care offices

Celebrating the Azadi Ka Amrit Mahotsav on completing 75 years of India's Independence and the Har Ghar Tiranga campaign, BYPL discom distributed the national flag to residents in East and Central Delhi.

JANUARY 2023

BYPL supports public libraries

On 31st January, BSES Yamuna Power Limited (BYPL) under its Sashakt initiative donated books and other equipment to Shaheed Ratan Lal Library at new police station in Nand Nagri. The handover was done in presence of ACP Mr J.S Mehta and the BYPL team consisting of Mr Gyaneshwar Singh, Mr Rajiv Paliwal, Mr Brajesh Ranjan and the CSR team.

BYPL supports 100 TB patients as a Ni-Kshay Mitra

BYPL, as a Ni-Kshay Mitra provides nutritional support assistance to 100 registered TB patients of Jag Pravesh Chandra Hospital in Shastri Park for six months under BYPL CSR - Suraksha. The nutritional support assistance entails distribution of food packets containing atta, kala chana, toor daal, peanuts and cooking oil, as per the nutritional dietary requirement provided by the doctors of Jag Pravesh Chandra hospital.

BYPL SASHAKT scholarship empowers 187 graduation students

On 14th February CEO Mr. Amarjeet Singh and senior BYPL officials handed over BYPL Sashakt scholarships to 187 meritorious college students. In the third year of the BYPL Sashakt Scholarship programme to promote education 104 young men and 83 young women were given the scholarship. The students were from various colleges in Delhi such as Shri Ram College of Commerce, Zakir Hussain, Delhi Technical University, Ramjas, Kirorimal, Jamia Hamdard, Hansraj and Gargi etc.

Tobacco de-addiction camp begins at Janta Colony

BYPL has partnered with Society for Advancement of Village Economy to conduct a Four day Tobacco de-addiction camp in Janta Colony, in Yamuna Vihar Division. The camp began on 27 February 2023 and is being conducted by Dr Sajeela Maini who heads the Quit Tobacco programme at Sir Ganga Ram Hospital.

Over 700 people benefit from BYPL Free Eye Care Camps

In February BYPL, through its CSR SPARSH outreach programme organised two free eye screening camps with NGO partner Ishwar Charitable Trust (unit of ICare eye hospital, Noida). At these camps 723 men and women benefited from the free eye consultations, reading glasses and eye medicines.

Date	Location	Beneficiaries	Reading Glasses	Eye Medicines
17 Feb 2023	Old Mustafabad	311	184	248
24 Feb 2023	Trilokpuri Dispensary	412	286	143

BYPL supports 100 TB patients as a Ni-Kshay Mitra

BYPL, as a Ni-Kshay Mitra provides nutritional support assistance to 100 registered TB patients of Jag Pravesh Chandra Hospital in Shastri Park for six months under BYPL CSR - Suraksha. The nutritional support assistance entails distribution of food packets containing atta, kala chana, toor daal, peanuts and cooking oil, as per the nutritional dietary requirement provided by the doctors of Jag Pravesh Chandra hospital.

BYPL Suraksha strengthens Cardio Department at GIPMER, provides 4D Echo machine

Under BSES Yamuna Power Limited (BYPL) CSR Suraksha initiative, BYPL CSR donated a high-end 4D Echo Cardiography Scanning machine to the Govind Ballabh Pant Institute of Postgraduate Medical Education and Research (GIPMER). The GE Healthcare, state-of-the-art machine is designed to help healthcare professionals provide top-notch cardio-thoracic diagnostic care to patients. The 4D Echo machine, the first such machine at GIPMER was handed over by BYPL team in presence of distinguished group of medical professionals including Dr. Prof Anil Agarwal, Director GIPMER, Dr. Prof Md. Abid Geelani, Director and Head of the Department of Cardiothoracic & Vascular Surgery (CTVS), Dr. Prof Harpreet Singh CTVS Department, Dr. Dharmender Gupta, Head of Office GB Pant Hospital.

BYPL CSR Suraksha provides 50 computers to CNBC

As part of their "Suraksha" initiative, BSES Yamuna Power Limited (BYPL) CSR team along with Mr. Ashwani Aggarwal - Head IT & Analytics and Mr. Nihal Meena - Circle Head South East (O&M) handed over 50 Lenovo desktop computers to Chacha Nehru Bal Chikitsalaya (CNBC). The computers urgently required by CNBC were handed over in presence of Dr Urmila Jhamb - Director CNBC and team of CNBC doctors.

Promoting STEM learning among students of Government schools

As part of BYPL CSR Sashakt promoting Education initiative, this year BYPL has partnered with NGO AROH Foundation and STEM Learning Pvt. Ltd. to set up Mini Science Centres for STEM (Science, Technology, Engineering and Maths) at 15 Government Schools in Delhi. These Mini Science Centres have 80 plug and play models - teaching aids for school children to better grasp concepts of physics, biology, maths and engineering.

Tobacco de-addiction camps at Janta Colony

BYPL partnered with Society for Advancement of Village Economy to successfully conduct two tobacco de-addiction camps in Janta Colony, Yamuna Vihar division.

The first camp was organised from 27FEB2023-02MAR2023 and 94 people benefitted from it. The Second camp from 24-27MAR2023 benefitted 79 people. The camp was conducted by Dr Sajeela Maini who heads the Quit Tobacco programme at Sir Ganga Ram Hospital.

BYPL organises six eye care camps

In March BYPL, through its CSR SPARSH outreach programme organised six free eye screening camps with NGO partner Ishwar Charitable Trust (unit of ICare eye hospital, Noida). At these six camps free eye consultations including screening for cataract, reading glasses and eye medicines were provided to 2705 beneficiaries.

Date	Camp Location	Beneficiaries	Reading Glasses	Eye Medicines
3rd March 2023	Kondli Gharoli Grid	452	310	261
10th March 2023	Seelampur Grid	314	203	197
17th March 2023	Mayur Vihar Business Office	500	345	251
20th March 2023	Karkardooma Gaon	334	225	228
24th March 2023	Yamuna Vihar Grid	513	376	335
28th March 2023	Janta Colony, Welcome	592	484	450

In all, nearly 3500 people benefitted from the eight free eye screening camps in February and March 2023

Reaching out to students with learning disability

Senior BYPL officials along with CSR team distributed MSIED (Multi Sensory Inclusive Educational Development) kits to 52 children with learning disability studying at School for Mentally Retarded Children in Mayur Vihar Phase 1. This assessment-cum-distribution programme was conducted on 10th March in partnership with Artificial Limbs Manufacturing Corporation of India (ALIMCO).

BYPL supports Delhi Police public libraries

In March, BYPL under its SASHAKT initiative donated books and other equipment to Umeed Public Library under police stations in Karawal Nagar and Jyoti Nagar. These libraries set up at police stations provide a safe conducive environment for youngsters to use the facilities to study and prepare for competitive exams. The hand over of library items were done in presence of local BYPL Division teams and Police officials.

BYPL as Ni-Kshay Mitra supports nutritional diet for 100 TB patients

BYPL, as a Ni-Kshay Mitra provided nutritional support assistance to 100 registered TB patients of Jag Pravesh Chandra Hospital in Shastri Park for six months under BYPL CSR - Suraksha. The nutritional support assistance entailed distribution of food packets containing high protein items such as atta, kala chana, toor daal, peanuts and cooking oil, as per the nutritional dietary requirement provided by the doctors of Jag Pravesh Chandra hospital.

Sub: Appreciation Letter for Donation Of 4D Echo Cardiography Scanning Machine

Dear Ms. Dewan

Greeting from Govind Ballabh Pant Institute of Postgraduate Medical Education & Research (GIPMER).

On behalf of CTVS faculty, GIPMER, I wish to express my gratitude and sincere thanks towards BSES Yamuna Power Limited (BYPL) for donating 4D(3D Live) Echocardiography Scanning Machine under CSR initiative.

4D (3D Live) echomachine is dedicated cardiac ultrasound machine which can scan the entire heart structure which implies comprehensive diagnostic information. It gives real time 3 dimension images of the heart which help in very accurate and precise detection of the defect in any part of the heart. This machine gives the ability to deliver increased volume sized resolution and volume rate. The blood flow when the heart squeeze is also visible during images process. The pumping function of the heart- ejection fraction can be assessed in much better way. It allows to study the valve morphology very clearly and help in detection of subtle ventricular function. It also has a speckle tracking function which detects the functioning of the heart muscles and can catch the regional abnormalities very specifically. Overall it helps in refining the diagnosis hence allow surgeon to take necessary precaution during cardiac surgical procedure.

The 4D (3D Live) Echocardiography Scanning Machine donated by BYPL under CSR initiative will help assess cardiac thoracic and vascular disorders. Your donation will enable us to evaluate 10-12 patient daily in CTVS OT and ICU.

We will maintain and share quarterly reports on the usage of the above said machine and assure you of optimally using the machine for the benefit of patient.

Thank you once again for your generous support and look forward to your assistance in future.

Your sincerely
Harpreet Singh 4/5/23

SUB: APPRECIATION LETTER FOR DONATION OF EMG MACHINE

Dear Ms Dewan,

Greetings from Institute of Human Behavior and Allied Sciences (IHBAS)!

On behalf of IHBAS, we wish to express our sincere gratitude to BSES Yamuna Power Limited (BYPL) for donating Electromyography (EMG) machine as part of your CSR initiative. IHBAS is tertiary care hospital mainly catering to the underprivileged neuropsychiatry patients of Delhi and Western UP. The department of neurology is managing all kinds of patients in OPD, IPD and in emergency. The neuromuscular disorders constitute approximately 25% who require timely electrophysiological evaluation.

Electrophysiology machine is required to perform various tests like NCV, EMG and visual evoked potentials. Electromyography (EMG) is used as an electro-diagnostic technique for evaluating and recording electrical activity of skeletal muscles. EMG is most often used when people have symptoms of weakness, and examination shows impaired muscle strength. It can help to diagnose the different muscle disorders. The nerve conduction studies are instrumental in management of different types of neuropathies.

The electrophysiology machine donated by BYPL will help assess the neuromuscular disorders in department of neurology. Your donation will enable us to evaluate 15- 20 patients daily.

Our office will maintain and share quarterly reports on the usage of the donated machine and assure you of optimally using the machine for the benefit of the patients.

We thank you once again for your generous support and look forward to your assistance in future.

Yours Sincerely,

Prof. (Dr.) Rajinder K. Dhamija

Dear Ms. Dewan,

On behalf of Government Primary School for the Deaf, I would like to thank BSES Yamuna Power Limited (BYPL) for the generous donation of hearing aids for 25 students received on October 20th, 2022.

The Government Primary School for Deaf, Mayur Vihar, Phase I, was established in 1980 and was managed by the Department of Social Welfare, Govt. of NCT of Delhi. The school consists of Grades from 1 to 5. The school is Co-educational and it has a pre-primary section.

The hearing aids with batteries provided to the 25 students with hearing loss will help improve their hearing and speech problems. It is a welcome step taken by BYPL corporate social responsibility department who partnered with Artificial Limbs Manufacturing Corporation of India for the assessment and distribution of hearing aids to our students.

We would again like to thank you for coming forward and helping our school children.

Sincerely,

Sh. R.C. Paswan
