

Safety Week celebrated in BYPL

To promote electrical safety among consumers and employees, BYPL celebrated Safety Week in East and Central Delhi from 4th March, 2019 to 10th, March 2019. The week-long programs started with a flag hosting ceremony by CEO Sh. P.R. Kumar. During the week, several safety awareness programs were organised with the help of RWAs. Safety Week concluded with a closing ceremony where Sh. A.K. Thakur, Director, Central Electricity Authority and Sh. Gautam Roy, Chief Electrical Inspector and Chief Engineer, Central Electricity Authority, addressed the gathering. The BYPL Team also took a safety oath on the occasion.

Fire Clearance Certificate must for connection in buildings over 15 meters in height

For getting a new electricity connection in a building which is more than 15 meters in height, the applicant needs to have a Fire Clearance Certificate with him/ her. This is mandatory as per the regulations of DERC and Building Bye-laws of Master Plan of Delhi.

BYPL' Consumer Meet

BYPL organised its Annual Consumer Meet on February 27, 2019, where representatives from 170 RWAs of East and Central Delhi participated in the meeting.

Senior officials of BYPL, led by CEO Sh. P. R. Kumar were present at the function to interact with the RWA representatives. Sh.P.R. Kumar on behalf of the entire BYPL team thanked consumer representatives for their contribution in reducing AT&C losses and strengthening relationship with consumers. Sh. Brajesh Kumar (Head Business), Sh. Ranbir Duggal (Head Distribution), Sh. Rakesh Kumar (Head Safety and Quality) and Sh. Jitendra Nalwaya (Head Sustainability and Clean Technology) also addressed the august gathering. Various electricity related issues were discussed on the forum.

BYPL has a zero tolerance policy against corruption. Contact BYPL Vigilance Department, if someone demands bribe from you for electricity related work.
