9. That I will provide a copy of any of above applicable documents to the licensee pursuant to request of any external government agency, judicial forum of any other authority seeking such information.
10. That my industry/trade has not been declared to be releasing obnoxious hazardous/pollutant by any government agency and that no orders of any court or judicial authority would be breached by running of my industry/trade or granting any electricity connection to the same. The licensee is indemnified against any loss accrued by the applicant on this account.
11. The applicant further agrees to indemnify and hold harmless, the licensee, in case of any injury or incident on account of any fault in electrical work in the premises. The licensee shall not be liable for any mishap or incident occurring at the premises to the applicant on account of any faulty/defective/inferior quality wiring at the premises for which the connection is being applied.
12. To pay the electricity consumption bills and all other charges at the rates set out in the licensee's Tariff Schedule and miscellaneous charges for supply as may be in force from time to time, regularly as and when the same becomes due for payment.
13. To deposit the additional security deposit and additional service line cum development (SLD) charges, if any from time to time based on the prevailing Orders/rules, directions and Regulations of the Commission.
14. To abide by the provisions of the Electricity Act, 2003, all applicable laws, conditions of Supply/Tariff Orders and any other Rules or Regulations as may be notified by the Commission, as applicable from time to time. (please refer note).
15. The licensee shall be at liberty to adjust the electricity consumption charges due/outstanding along with any other charges against the Consumer Security Deposit paid by the Applicant, in the event of termination of the agreement prior to expiry of the contracted period or in case of any contractual default as per provisions of regulations/rules/orders/directions of the Commission.
16. That s per Delhi Electricity Supply Code and Performance Standards, 2007 or as amended from time to time, I shall provide suitable and adequate space for installation of the meter/electrical equipments where the licensee may have ready access to the same.
17. To allow clear and un-encumbered access to the meters for the purpose of meter reading and its checking etc.
18. That the Applicant would let the licensee disconnect the service connection under reference, in the event of any default, non-compliance of statutory provisions and in the event of a legally binding directive by Statutory Authority (ies) to effect such an order, This shall be without prejudice to any other rights of the licensee including that of getting its payment as on the dat of disconnection.
19. All the above declaration given by the Applicant shall be constructed to an Agreement between the licensee and the Applicant.

Note: Applicable laws but not limited to shall include the following :

1. **In case the location of the premises where connection is being sought does not conform to the minimum permissible distance from a HT Line, the applicant shall be solely liable for any direct and /or indirect loss (including life and property) in case of any damage/ accident in the premises due to the HT Line.**
2. **Every charge of electricity/ any other sum + other than such charge for electricity due and payable to Licensee which remained unpaid by erstwhile owner/occupier of the premises/land shall be recoverable from the applicant. The said other sum would also include any bill raised towards theft of energy/ misuse charges.**
3. **As per DERC supply code 2017, Earth Leakages Protective Device(ELCB) installation is mandatory for all type of Electricity connections and applicant has installed the ELCB in accordance with the regulation.**
4. **In case of receipt of reference from the concerned land owning / law enforcing agency regarding sealing/ demolition/ vacation of Premises and /or in case where any suit is filed against the Licensee on account of giving supply to the Premises, Licensee is authorized to disconnect the supply of electricity without any further notice.**
5. **The applicant shall provide adequate space of prescribed design for housing the electrical equipment's etc. to be installed by the Licensee and also provide certificate from Electrical Inspector in case of HT connection as applicable under Central Electricity Authority (Measures relating to safety and Electric Supply) Regulations 2010.**

(Not to be submitted with Application. To be retained by Applicant)

Introduction

This manual helps you with applying to BYPL for a permanent new electricity connection of load up to 45 kW, if you are a private / non - Govt. applicant. As an Applicant for such a connection, you need to fill up the following forms and submit specified documents as part of your application.

Official Forms of BYPL to be filled and submitted by the applicant (for all applications) :

1. New Connection Application cum Information Form for Permanent LT Connection along with self-attested passport size colour photograph of the applicant / authorized signatory (applicable in case of organisation) pasted on the form
2. Declaration Supporting documents to be submitted by the Applicant (for all applications) :
 1. Copy of Proof of Identity of the applicant in whose name the connection is applied for
 2. Authorization in favour of signatory (applicable in case of organization)
 3. Copy of Proof of lawful ownership/occupancy of the premises for which the connection is applied for, in the name of the Applicant.
 4. Copy of proof of photo identity of the authorized signatory (applicable in case of organisation)

General Instructions :

1. All official forms of BYPL are free of cost.
2. In case where a copy of certain document has to be submitted, the Applicant needs to produce the original documents for verification by BYPL representative at the time of submission; the original documents must be retained by the Applicant. The copy submitted to BYPL must be self-attested by the Applicant.
3. The Applicant's photograph should be self-attested.
4. Applicant should insist on checking the Identity Card of BYPL representatives visiting his premises.
5. All payments should be made only against computerized Demand Note(s), and receipt thereof must be obtained and kept safely by the applicant. In case of any complaints of harassment or corruption, please report on Helpline No. : 39999808.
6. Applicant should pay the Demand Note amount within the stipulated time at the cash counter only, at the Division Offices/ Payment Counters. Please note that Payments of amount of Rs. 4000/- & above should be made by way of D. D./Pay Order payable at Delhi/New Delhi in favour of BSES Yamuna Power Limited.
